

Makalu Sherpani Col 6,135m. Pass

Introduction

The Makalu Sherpani Col Trekking to Everest Traverse Trek includes three high passes, two of them over 6,000m. It traverses the mountain range between Makalu and Everest. This trek combines cross-country trekking with mountaineering (fixed ropes and ice axe) to scale the high passes of the “Three Col” – namely Sherpani Col, West Col and Amphu-Labsta. This trek forms part of the Great Himalayan Trail, a trail which crosses the country from east to west through some of the toughest and most beautiful landscapes provide an amazing view of the world's tallest mountains like Kanchenjunga 8,586 m, Makalu I 8,481 m, Makalu II 8,463 m, Mt. Kumbhakarna 7710 m. (known as Jannu) , Baruntse 7129 m, Lhotse 8516 m, Everest 8,848 m, Pumori 7,161 m, Ama Dablam 6,812 m, & Thamskerku 6,623 m. From Base Camp of Baruntse. One of the most challenging sections of the GHT, an excellent level of fitness is required to complete the journey, the majority of days at altitudes over 4,000 and up to 6,000m. Well equipped and professional team is highly required for this Adventure Trekking into the Himalayas.

Why we dont't include cost in our website?

NOTE: To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our customers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit royalty cost for mountain will be different during Spring and Autumn season. Normally most of the climbers climbs Himalayas in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.
2. The cost of the trip depends on number of persons joining in group for High expedition or Mountain Climbing including number of climbers, non-climber, base camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, kitchen crew, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing guide as well as the category of the hotel accommodation and the facilities that you aspire in the mountains affect the cost.
3. We operate the High Expeditions, Peak Climbing, full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.
4. Request numbers of oxygen, ropes and the brands the clients require
5. The itinerary may be changed after reaching mutual understanding between the agency and the client. Other activities could be added or reduced as per the client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.
6. Either you want to operate this expedition as international group joining basics of Xtreme Climbers or individual (private arrangement) expedition.
7. Type of high camp food that clients require. Any specialized food that has to be ordered from foreign countries will be costlier compared to the one available here.
8. Either any of the climbers intend to attempt any world records? If so, do they require special services or equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in _____ or login to _____ for any information about your selected package.
