

Mardi Himal B.C Trek

Introduction

Newly opened in 2012 for the outsiders. Mardi Himal Trek is a great short and sweetest trekking start after a few hours drive or flight from Kathmandu to Pokhara (which is well known as the queen city of Nepal) a natural beauty city. One of the most popular trekking destinations around Annapurna region. This route is absolutely an exciting route for travelers to explore in the Himalayas, offering an amazing viewpoint of Dhaulagiri 8,167m, Machhapuchhre 6,993m. (Fishtail), Manaslu 8,156m. and Annapurna 8,091m. range. The trails lead us through the typical Gurung and Magar traditional villages, spectacular views, lush forests, breathtaking scenery and dramatic landscape view with wide range of snow capped on the high region. From Pokhara take a very short drive to our trekking starting point Phedi, trek goes through the Village of Dhampus, Deurali, and some other little villages along the way with a magnificent mountain view of Mardi Himal, Dhaulagiri, Machapuchare, Annapurna South and Hiunchuli. a journey goes passing through the breathtaking places like Koker 2550m, Lo Camp 3050m and High camp 3900m with Rhododendron forest. During the trek approximate walk will be 4/5 hours on average every day.

trekkers. Cost will be re calculated if the itinerary is changed or modified. Additional activities may be added as per trekkers request with appropriate additional cost. For Total Tour cost **EMAIL US**, we will send you within 24 hours as your requirements.

Why we don't include cost in our website?

NOTE: To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our customers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit royalty cost for mountain will be different during Spring and Autumn season. Normally most of the climbers climbs Himalayas in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.
2. The cost of the trip depends on Number of persons joining in group for High expedition or Mountain Climbing including number of climbers, non-climber, base camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, kitchen crew, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing guide as well as the category of the hotel accommodation and the facilities that you aspire in the mountains affect the cost.
3. We operate the High Expeditions, Peak Climbing in full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.
4. Request numbers of oxygen, mask regulators and the brands the clients require
5. The itinerary may be changed after reaching an understanding between the agency and the client. Other activities could be added or reduced as per the client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.
6. Either you want to operate the trip as international group joining basics of Xtreme Climbers or individual (private arrangement) expedition
7. Type of high camp food that clients require. Any specialized food that has to be ordered from foreign countries will be costlier compared to the one available here.
8. Either any of the climbers intend to attempt any world records? If so, do they require special services or equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in [CONTACT US](#) or login to [Xtreme Climbers](#) for any information about your selected package.
