

## Mera Peak 6469m

### Introduction

Climbing and Skiing Mera peak would be the best program for backcountry skiers looking to gain the skills that will enable you to ski higher and/or more technical mountains. Ski Mera would be perfect for those who want to become a ski mountaineer, and the ski mountaineer looking to progress to high altitude peaks. The ski descent on Mera Peak is not technical or steep. It's actually one extremely long intermediate level run. There is no avalanche danger. However, given the varying nature of the terrain and the altitude involved, you must be a strong skier/rider to join this expedition. All of our Climbing Ski guides leading this expedition are highly experienced and have completed several 8000m High mountains multiple times with a guarantee of 100% trip safety.

**NOTE: Ski Record set by Xtreme Climbers.**

- Xtreme Climbers probably the first company to make 100% successful Climbing Skiing record above 8500m.
- We are the first company to organize the very first 100% successful First Ski Climbing Lhotse Expedition which was on 2018 Autumn without 0% problems.
-

Organized First 100% successful Ski Lhotse Duo record set by Hilaree Nelson (Captain of The North-Face) and Jim Morrison USA on 30.September.2018 Autumn.

- The first summit on Mt. Lhotse 8516m after 1991 during Autumn season.
- During The First Ski Lhotse expedition one of our Climbing Sherpa ( Ila Nuru Sherpa ) became the first youngest climber to scale Mt. Lhotse 8516m at the age of 21.

## Why we don't include cost in our website?

**NOTE:** To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our customers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit royalty cost for mountain will be different during Spring and Autumn season. Normally most of the climbing is done in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.
2. The cost of the trip depends on Number of persons joining in group for High expedition or Mountain Climbing including number of climbers, non climber, base camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, kitchen crew, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing guide as well as the category of the hotel accommodation and the facilities that you aspire in the mountains affect the cost.
3. We operate the High Expeditions, Peak Climbing in full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.
4. Request numbers of oxygen, mask regulators and the brands the clients require
5. The itinerary may be changed after reaching an understanding between the agency and the client. Other activities could be added or reduced as per the client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.
6. Either you want to operate this expedition as international group joining basics of Xtreme Climbers or individual (private arrangement) expedition.
7. Type of high camp food that clients require. Any specialized food that has to be ordered from foreign countries will

be costlier compared to the one available here.

8.

Either any of the climbers intend to attempt any world records? If so, do they require special services or equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in \_\_\_\_\_ or login to \_\_\_\_\_ for any information about your selected package.
