

## Nagarkot

### Introduction

Nagarkot is situated east of the Kathmandu Valley at an elevation of about 1800 meters (5,904ft). This spot is popular for mountain views particularly at sunrise and sunset. Among the 25 mountains above 6000 meters (19,680ft), Annapurna (8091m/ 26,545ft), Manasalu (8165m/ 26,781ft), Ganesh Himal (7446m/ 24,422ft) and Lantang Lirung (7245m/ 23,763ft) can be seen. This is also a one day trip from Kathmandu.
