

Tilicho Lake Trek (Option B)

Introduction

Annapurna with Tilicho Lake Trek is a fantastic journey along the famous Annapurna region. Located in the Manang district of Nepal, 55 kilometres at the height of 4920 meter known as the highest lake of the world. Tilicho Lake collects the glacial melt of the full northern slopes of Annapurna and Thorong Peak, Starting from Besisahar, which goes along the Marshyangdi River, with great views of Manaslu and Himal Chuli to the east. This magnificent Tilicho Lake trekking leads you to the fine village inhabited by a wide diversity of people from different ethnic groups, offering spectacular and magnificent views of the white Himalayas. The trail cuts through varied elevations, and has climates ranging from semi-tropical to desert, and with the landscapes varying from sub-tropical to alpine forests to snowy barren, and the stunning rocky Thorung La mountain pass with an altitude of 5416 meters.

Cost and payment details

The cost is depending on group size, affected due to the requirement of number of guides and porters, requisite of Hotel in Kathmandu, method of land/air transport. The itinerary is changeable and modifiable as per needs and time frame of trekkers. Cost will be re calculated if the itinerary is changed or modified. Additional activities may be added as per trekkers request with appropriate additional cost. For Total Tour cost **EMAIL US**, we will send you within 24 hours as your requirements.

Why we don't include cost in our website?

NOTE: To provide you service in reasonable cost and attempt to address your each requirement **Xtreme Climbers** desired to provide you with some information which directly affects the cost and also helps us breakdown the cost. That is why we have decided to clarify our customers that due to the following reasons mentioned below we have not included the cost of each package in the company website.

1. Climbing season: The climbing permit royalty cost for mountain will be different during Spring and Autumn season. Normally most of the climbers climbs Himalayas in the Spring season. Climbing permit during Autumn will be 50% less than the spring season.
2. The cost of the trip depends on Number of persons joining in group for High expedition or Mountain Climbing including number of climbers, non-climber, base camp supporters, medical doctors, The number of climbing Sherpa guides, high altitude porters, kitchen crew, mode of transport you prefer and many other factors can affect the cost of the trip. Alpine climbing guide as well as the category of the hotel accommodation and the facilities that you aspire in the mountains affect the cost.
3. We operate the High Expeditions, Peak Climbing in full arrangement package and basic arrangement service (full board or base camp service) which directly affects the expedition cost.
4. Request numbers of oxygen, mask regulators and the brands the clients require
5. The itinerary may be changed after reaching an understanding between the agency and the client. Other activities could be added or reduced as per the client's request before processing the trip. Price for reduced activities could be deducted and additional activities could be added in mutual understanding.
6. Either you want to operate this expedition as international group joining basics of Xtreme Climbers or individual (private arrangement) expedition.
7. Type of high camp food that you require. Any specialized food that has to be ordered from foreign countries will be costlier compared to the food available here.
8. Either any of the climbers intend to set any world records? If so, do they require special services or equipment?

Due to the reasons mentioned above we would like to discuss with our client directly before offering the cost. So please feel free to drop your queries in [CONTACT US](#) or login to [MY ACCOUNT](#) for any information about your selected package.
